

# AINSTY GTC NEWS

October 2020

## A huge thank you!

We would like to thank all our gymnasts and their families for the support we have received since reopening in September. Your positive approach has made all the extra effort, to be Covid-19 safe, worth it!

## Term dates

We are on half term next week (w/c Monday 26th October) and we reopen on Monday 2nd November until Thursday 17th December 2020 (inclusive).

Classes will restart in the New Year on Monday 4th January 2021.

## Badge Scheme

Under normal circumstances we would be assessing the children on their skills to achieve badges and certificates. At present, this is difficult to do as there are some moves, on the badge scheme, that are unsafe to coach without being able to support hands on, which we are currently not able to do. All the skills taught during the sessions are taken from the badge scheme so when we do go back to assessing them, the children will quickly achieve their level.

Stay safe everyone.

The Ainsty Team xxx
